

Kindersley Alliance Church profile:

Kindersley Alliance Church (KAC) was established in 1938 by a small group of believers. The church building has been located in several different areas of town but 74 West Road has been its home since 1990. From its inception, KAC still exists to point people to God through the good news, that is found in Jesus Christ.

We are a member of the Christian and Missionary Alliance in Canada. As such, we are led by a Pastor and an elected Board of Elders. We are currently searching for one full time Lead Pastor who has a vibrant and submissive spirit-filled walk with Christ. We desire a shepherd/guide who has strong community and church relationships and knows their strengths and gifts. He will be dually accountable and supported by the C&MA Midwest District and the KAC Board of Elders. The church also employs part time custodial and administrative support.

Our current average Sunday attendance is 80 people. We are supported by a varied cross section from our local town and surrounding area, representing a wide range of ages, occupations, cultural and socioeconomic backgrounds.

Our church is conservative in theology. Our morning service strives to allow for individual and corporate worship through music, prayer, praise, Scripture and teaching. Our ministry groups are working intentionally to serve the needs of all ages within our congregation and community.

Going forward, KAC desires to continue to enhance our communication skills. We want to be more intentional about our spiritual maturity leading to stronger outreach and discipleship. Lastly we want to grow in recognizing and accepting our differences in order to build up and spur each other on in our walk with Christ.

The opportunities to serve and participate in our church are strengthened by our commitment to family-oriented and multi-generational activities. Our congregation is filled with many talented individuals and gifted leaders. Our volunteers minister to each other and the community through a variety of church programs, as well as family and individual care.

Kindersley Alliance Church is a body of believers devoted to knowing God, His Word, and allowing Christ to transform us from the inside out all the while sharing that message with our community and world around us.
