

## Summer Jobs

### In-City Ministry Team (May-Aug)

Our summer outreach includes day camps for kids, community barbecues, beach days, and some evening events. Our ministry centre at 600 Burnell Street is the hub of all the activity, with many events happening off-site. This is the perfect opportunity to get a taste of full-time ministry. Come be part of the team that creates and implements this summer's vision!

Assets: Class 4 driver's license, First Aid training
